This business provide a range of summer camps and sporting activities in schools.

Funding is required to bridge a cash flow gap. Schools can be very slow to pay invoices so Richard wants a cash flow buffer to ensure this doesn't cause issues.

Richard has clean personal credit. He took out some personal loans to complete extensions on his property, he hasn't missed any payments on this.

Richard is a homeowner of his residential property. It is valued at around £525,000 and there's around £172,000 outstanding on the mortgage.
