Furniture wholesaler.

Website - <https://www.partisanfurniture.co.uk/>

Manufactures and supplies office furniture to companies across the UK.

Imports the materials in from abroad, china and Italy mainly, then constructs and sells on the furniture.

Sells to fulfil orders, rather than stocking up to sell.

Factory is based locally to us in Erdington.

Funds are for a VAT payment that he's been caught out on. The figure is just under £20k and it is due now really. Would like to finance this and spread it out over 12 months just to eased cash flow.

Overdraft is £10k

Andy is a homeowner, his property is worth £420k and he has £200k left on the mortgage. No issues with payments on this. He said hes had the occasional late payment with personal credit in the past but always is brought back to date an caught up.
