**Company Information**

UK Industrial Services Ltd is a multi-faceted company that has experienced steady growth in recent years. Their services include marine and coastal engineering, restoration and conservation of historic buildings, recycling plant installation, and plant maintenance. The company's success can be attributed to its team of specialists, bespoke solutions, and commitment to customer satisfaction.

**Company Financials**

In its latest financial year, UK INDUSTRIAL SERVICES LTD has achieved a turnover of £2,030,656. In the most recent filed accounts, UK INDUSTRIAL SERVICES LTD reported a strong balance sheet, with a reported net worth of £29,745

**Funding Rationale**

UK Industrial Services Ltd requires the finance to purchase materials necessary for upcoming projects in marine and coastal engineering, historic building restoration, and recycling plant installation. This injection of funds will help the company fulfill client orders promptly, maintain project timelines, and potentially take on additional contracts, ultimately boosting revenue and profitability.

UK Industrial Services Ltd is a previous customer of Federal Capital and have just made there final payment on £30,000 loan facility. The last payment was July 2024.
